   One villager attended regarding the garden wall of The Stables on the Launton Road, which had recently been damaged by a passing vehicle. Photographs of the damage were presented. There have been a number of incidents around this area over the last few years. The Councillors RESOLVED to ask the Clerk to contact the Highways Area Steward to discuss the matter and find out how to reduce the possibility of damage to any property.

4. Minutes of the meeting held on Tuesday 10 September 2013
   It was RESOLVED, with one correction that the meeting started at 7pm not 7.30pm, that these be accepted as a true copy and were signed by NF as a true record of proceedings.

5. Matters arising from the Minutes
   a. Speed check
      The Clerk had spoken to PCSO Sue Cooper who is very happy to run a speed awareness session with the school children in the village. The Clerk has also spoken to Mrs Pearson, Headmistress of Fringford School, who is happy to work with PCSO Cooper. The Councillors RESOLVED to ask the Clerk to contact PCSO Cooper to progress the project.

      NF reported that a speed check was recently undertaken by the Police on the Bicester Road on a Sunday morning at 10am.

   b. Broadband
      The Clerk supplied the link - http://www.superfast-openreach.co.uk/where-and-when/ so that any villager interested could register an interest in the project. The Clerk reported that whilst the website states that Stratton Audley isn’t currently in the rollout plans, she
believes that it means that BT, as the provider, is undertaking the implementation planning and surveying at present and hasn’t finalised the dates for the next implementation phase, which is a two year, Oxfordshire-wide project starting in January next year.

The Councillors **RESOLVED** to put the information on the village website, send the information to as many people as possible, including the CLP group and to ask the CLP group to put the URL on the CLP Facebook page.

c. **Communication and Website**
NF reported that he had updated the village website with all the CLP and Parish Council information.

d. **Trees and the road at Stratton Audley Park**
The Clerk has been in contact with the Arboricultural Team at OCC and it appears that the owners of the trees may have to apply for a retrospective planting licence to maintain the avenue of trees. The Clerk has been in touch with the owners to ask whether the trees were planted before or after OCC’s adoption of the road.

Following the damage to the road sign on the A4421, the Clerk has requested a new sign for Godington / Poundon with Godington spelt correctly.

The Clerk has also enquired about the triangle of grass at the turn off from the A4421 to the Park, but has been informed that as it was not dealt with at the time of the roadworks finishing, it is not possible to remedy this now as there is no budget for it. However, Localities Funding it could be applied for.

e. **Dog Bin**
The Clerk has ordered and received the new dog bin. The Councillors discussed the location and **RESOLVED** that the Clerk ask Paul Fitzgerald to give her a quotation for it to be installed by the stile on Mill Road next to Pound House. However, the Councillors **AGREED** that if the smell was too unpleasant, an alternative site would need to be found. The Clerk informed the meeting that the dog bins were emptied twice a week in the summer and once a week in the winter.

6. **Report from District and County Councillors**
No Councillors attended the meeting.
