

Stratton Audley Community Led Plan Working Group

Please consider volunteering some time

Many of you already play an active role in sustaining the quality of life in Stratton Audley through various organisations and groups. However new blood is always welcomed and fresh initiatives will always struggle to get off the ground without residents willing to volunteer their time.

However, we do recognise that whilst many people are willing to help, most are concerned about making full time commitments that they may struggle to fulfil.

So please put your name in the box immediately below if you wish to give some time to support the CLP group – without any formal or regular commitment:

Put your name in the box immediately below here if you are interested in joining the CLP working group on a more regular basis (usually meeting once a month in the Red Lion):

We have already started to build a considerable database of email addresses of people in the village. Would you like to receive emails from time to time, from the Parish Council and CLP group to keep you up-to-date with activities and developments? If yes, please write your email address in the box immediate below:
